

# CST Global - the UK's leading, volume-producer of III-V semiconductor lasers.

We provide:

- Custom, foundry photonic services
- Engineer-led development and production
- Epitaxy, facet coating, wafer fabrication, packaging and testing
- Industry-standard 1310nm and 1490nm GPON laser products for Gigabit data transmission

CST Global has expertise and experience in RWG, BH InP, DFB, High power InP/GaAs, VCSEL, PIC, Quantum cascade and GaN lasers; PIN diodes and RCLDs; and Reflective SOAs.

We supply telecommunications, GPON, industrial, defence and healthcare industries around the world.
